Local addiction professionals who complete the training and meet the criteria of credential level and pass a short examination of 50 questions will be granted a credential of CACI or CACII which is recognized by the NCC AP.

About us

Tung Wah Group of Hospitals (TWGHs) has accumulated extensive experiences in treatment of a range of addiction problems, and has been granted the Approved Education Provider status by the National Association for Alcoholism and Drug Abuse Counselors (NAADAC) to offer professional training and continuing education towards certifications in Hong Kong and the South East Asia region. The Asia Pacific Certification Commission for Addiction Professional (APCCAP) was set up under the TWGHs and is now the Professional Certification Board in Hong Kong to issue professional credentials for addiction specialists.

Participants who complete this Certified Addiction Counsellor Level I & II training with at least 80% attendance and pass the short examination will be awarded the professional credential of Certified Addiction Counsellor I or II according to training and experiences.
